Small Group Guitar Tuition

COVID-19 risk assessment - September 2020 (Term 1 + 2)

Kennington CE Academy

POSSIBLE HAZARD:

ACTION:

Children sharing equipment	To have enough spare guitars and plectrums for each child if they have forgotten (or don't possess) their own. To disinfect the strings and neck of any guitars provided before and after usage.
Close physical contact with the learners	To keep a minimum 1m distance between myself and pupils where possible. Control group sizes to suit the room available. Ensure an appropriate gap between children when they're seated.
Passing of germs through touch	To have hand sanitiser available at all times for the pupils and myself. Encourage hand washing if any child uses the bathroom during lesson time. Prohibit sharing or swapping sheet music.
Airborne germs	To generally avoid singing during guitar lessons. To wear a mask in communal areas of the school if it is recommended. To wear a medical style face shield during whilst teaching lessons.
Maintaining bubbles	Work closely with the school on group schedules and alter the groups from the prior academic year if instructed.
Ventilation	To keep doors and/or windows open where practical and possible to allow a flow of clean air.
