Our School Vision –

We are an Inclusive Community where Christian values empower us. With God's guidance, we work with pride and passion to create life-long learners who fulfil their potential. If we work together, we will be the very best that we can be: achieving, celebrating and succeeding whilst having fun.

Everyone is Important, Love and Care, Giving, Using your Talents and Forgiveness

Kennington CE Academy believes that provided there is no interruption to, or curtailment of, school use of the premises, part of the school buildings and grounds may be let to outside bodies during the school day, after the end of the school day, at weekends, and during the holidays, in order to:

- Raise income for the school
- Better integrate the school into the local community
- Satisfy some of the needs of local individuals, groups and organisations.
- Increase the use of facilities which are of necessity underused by the school.

BOOKINGS

Bookings are made through the representative of the school as authorised by the Governing Body and confirmed in writing.

- School and PTFA activities have priority.
- No bookings are confirmed more than four months in advance although provisional bookings may be made at any time.
- Users sign a contract that covers:

Terms and conditions relating to type of and length of use.

Cancellation.

Damage.

Insurance.

Charging.

Restrictions on use.

Licensing for the sale of alcohol or public performances.

Parking.

The contract may be updated annually or termly.

Payment is in advance for all lettings with individual arrangements for regular users.

Outline charges are set by the Headteacher/Governors and reviewed annually.

Specific charges are set at the time of the contract.

A diary is kept covering all school, PTFA and outside use of the premises and grounds after school, in evenings, at weekends and during holidays.

ROLES AND RESPONSIBILITIES

The 'School Authorised Representative' is responsible for the construction and regular update of the lettings diary.

- The PTFA Secretary and individual teachers are responsible for informing the authorised school representative a term in advance of events outside teaching hours which will use the school premises.
- Opening and closing the school is undertaken by the Site Manager or by prior agreement with an authorised member of the key holding staff or known responsible person.
- Supervision of delegates and the activities during the letting is the responsibility of the user. The user is also responsible for the security of the area of the school being used.
- Post letting checks are made by the Site Manager and reported to the school authorised representative.
- Follow up of unsatisfactory lettings is made. Due attention is to be paid to avoid undue wear and tear on the buildings and equipment.

HEALTH AND SAFETY

The school will make quite clear that as part of the contract for using the school premises the health and safety responsibilities for the duration of the session rest with the organiser. The school will accept responsibility for the fabric of the building and any facilities or equipment stated as part of the hire, at the beginning of the hire. The hirer is responsible for any damage to the equipment or facilities of the school and will be expected to make good the damage caused.

The school cannot be held responsible for any loss or damage or injuries sustained in association or connected in any way with the event or control of the event to which the hirer relates and the hirer agrees to ensure that they will provide insurance cover for such contingencies.

MONITORING AND EVALUATION

The success of lettings can be equated to the additional income raised for the school, less the cost of any reasonable wear and tear made during lets to the furniture and fabric of the school, costs of additional heating and Site Manager's wages and administrative costs.

APPENDICES CHARGES

We want our school to be used as a local amenity whenever possible. We hope it will be used as a focus for social and extra-curricular activities and in this way help to foster a community spirit in Kennington. Through this use we hope people will come to be proud of the school and to help us to develop its use still further.

For this reason we seek to encourage clubs and classes which educate and enlighten, especially those catering for children and our charges for these lettings reflect a desire to cover costs, rather than to make profit.

Where the use of the hall is intended for social gatherings, e.g. private parties or discos, we hope to make a profit for school funds which will then be used to invest in our school for the benefit of the children of Kennington.

We divide our charges into two bands:

'A' Band – regular educational clubs (Brownies, Tae Kwon Do, Dance etc), Sunday School, Church, Charities.

Term time after 6pm

1 hour - £25
2 hours - £30
3 hours - £40
4 hours - £50

Sundays £25 hourly rate

The School Business Manager, in consultation with the headteacher, is able to negotiate the charge with the hirer within the set limits.

'B' Band – Parties, Discos, Dances, Quiz Evenings etc

Weekdays and weekends £25 per hour

Payment is to be made monthly in advance via Bank Transfer to our account:

Sort Cod: 30-90-28
Account: 60641268

'C' Band – staff and governors

The school would only seek to cover the costs of the hire this fee would be determined by the Headteacher once the request to hire was received.

CONDITIONS OF USE FOR A LETTING (of School Premises/Site)

Conditions of Use for a Letting

Use of School premises for a letting must be agreed in advance and confirmed in writing by both the user and the authorised representative of the school. The agreement will include the fee, appropriate VAT and any other charges payable. These are reviewed in advance of the second and succeeding years. It must be recognised that school use of the premises takes priority and that there may be occasions when arrangements have to be changed (where possible these will be advised at the time agreement is reached). Formal confirmation of bookings will be made termly when school requirements have been finalised.

If the user wishes to cancel a specific booking or set of bookings, five clear working days notice must be given of the cancellation, in which case the school will charge a cancellation fee of a quarter the total fees due. If less than five days notice is given, the whole of the fees may be charged by the school. When regular weekly/monthly bookings have been made, cancellation will result in a negotiated fee according to the opportunities available for re-letting the facility.

Standard rated VAT is payable on lettings of sports facilities unless the letting is to a school or club that meets with the ten sessions rule and more generally the VAT regulations in full, in which case the lettings will be exempt from VAT. Therefore a refund for a cancellation may break the series and result in VAT being chargeable on all the lettings. Full details of the VAT regulations are available from the HMRC website in the Internal Guidance Manual for Land and Property section 18.

Damage or loss of any kind sustained to the premises, fixtures and/or fittings, furniture and/or other chattels therein arising out of or in connection with use of the school shall be made good at the expense of the user within one month by the school or, by agreement, by the user and to the satisfaction of the school.

The users are required to make arrangements for suitable insurance cover (currently a minimum of £5 million for each and every claim for public liability) with a reputable company in respect of claims which might be made against them by a third party for accidental injury including death or accidental loss, or damage to property arising out of, or in consequence of, the letting and to cover the school, and must produce proof of the policy before the letting is contracted.

However, if non-commercial users are unable to provide insurance cover which meets the council's requirements, cover must be arranged through the RPA Policy, for which a contribution towards the cost equal to 3.15% of the total hire charge will be levied in addition to the hire charge itself. The user will be responsible for the first £350 of each and every property damage claim.

The charge for a letting payable by the user includes an amount to cover payment for standard opening and closing caretaking duties and may include additional duties if agreed prior to the letting. The user is expected to adhere strictly to the agreed times or, subject to a caretaker being available, be prepared to pay additional overtime.

It is the user's sole responsibility to control entry of all visitors at the external entrance allocated and to ensure that only those people known to them are allowed access to school premises. The entrance and any other external doors that are unlocked must be controlled by responsible adults at all time during the period of the letting. On completion of the letting a check must be carried out to ensure that all windows have been shut and secured, and all visitors have left the premises.

The user shall not cause or permit any nuisance or disturbance to other occupiers or users at the school or to occupiers of neighbouring properties.

The user should be aware of the appropriate action to be taken in the event of fire or other emergency. They should know where extinguishers are located and how to use them, how to obtain assistance from the emergency services and the location of fire exits.

The Health and Safety at Work, etc Act, 1974 (as amended) imposes duties not only on employers in respect of their employees but also on persons having control over places of work or places where plant or substances are used and on anyone who by virtue of a contract has an obligation in relation to such a place. The duties are to ensure as far is reasonably practicable, that the facilities and means of access are safe and without risk to health. Users must comply with the school health and safety policy, a copy of which is available on request.

All rubbish, empty containers, crates, etc must be removed from the premises by the user immediately after the letting has taken place and before the school's authorised representative locks up. Furniture and equipment is to be left as found unless other arrangements have been agreed with the school's authorised representative or caretaker.

The use of materials for preparing floors for dances and the wearing of shoes likely to damage floors, especially in any hall and any gymnasium, is prohibited.

The premises shall not be used for any purpose other than that for which agreement has been granted nor shall any areas of, or furniture/equipment in, the school but not

included in the letting agreement be used without express permission; in such cases an extra fee may be payable.

The user must have written permission from the school before arranging for alcoholic drinks to be consumed on the premises. Under The Licensing Act 2003 the users are responsible for Temporary Event Notices (TENs) to the district/borough council and local police. Alcoholic drink may not be brought onto the premises while students are present and are to be cleared from the premises when the event ends.

No public performance of a play, cinematography exhibition, public dancing, singing, music or other public entertainment of the like shall be performed in or close to the premises unless any necessary licence for the same shall first have been obtained from the appropriate authority and all necessary measures taken to fulfil the conditions of the licence. Temporary Event Notices (TENs) are required not only for any sale/supply of alcohol, but also for regulated entertainment (eg. live and recorded music and performance of dance) and late night refreshments.

Vehicles should not be allowed on the playing fields and no parking which restricts the caretakers' or emergency services access will be permitted. Consideration of separating vehicles and pedestrians on site should be considered where the activity poses additional risk. Parking on the roadway where double yellow lines are displayed is not permitted. Control of parking is the responsibility of the user. No responsibility can be taken by the school for any damage to vehicles sustained whilst in the school grounds.

No landlord and tenant relationship shall be created.
